

# MCC Statement on Student Vaccinations

Montcalm Community College does not have a universal student vaccination policy. We strongly encourage all students to review the following vaccination schedule recommended for all adults by the Centers for Disease Control & Prevention: <http://www.cdc.gov/vaccines/adults/rec-vac/index.html>

**Health Careers or Nursing Students:** All students enrolled in Nursing or other health occupations programs must comply with the vaccination policy for that program. Failure to do so will prevent students from being placed in a clinical setting, making them ineligible for graduation. Copies of this policy may be obtained from the Dean of Nursing & Health Occupations located in the Donald C. Burns Administration/Library building on MCC's Sidney campus.
